INTRODUCTION

WHAT IS THE DENVER WINTER BALL AND HOW DOES IT HELP

The Denver Winter Ball is an annual black-tie affair raising money to help children and families facing hunger in our communities. Our guests enjoy live entertainment, delicious food, open bar, an impactful giving experience, and several fun activities throughout the evening.

THIS YEAR THE DENVER WINTER BALL BENEFITS THE FOOD BANK OF THE ROCKIES

Denver Winter Ball is put on by the Making An Impact Foundation. Making An Impact is a certified non-profit organization founded in Colorado. Our mission is to raise money to provide healthy food to those facing food scarcity.

HUNGER IN COLORADO

YOU KNOW WHAT IT'S LIKE TO BE *HANGRY*

You're irrational and unreasonable. But what if you were 9 years old, hungry, angry, and lacking awareness to identify it or the resources to address it? Would you still be hangry? Or just plain hungry?

EVERY DAY IN COLORADO, 1 IN 7 CHILDREN DO NOT KNOW
WHEN OR WHERE THEY'LL GET THEIR NEXT MEAL

Helping children and families facing food insecurity can result in improved education, reduced homelessness, and fewer health and behavioral issues.

What's more, programs that help children can also help families stretch their grocery budgets – generating hope and greater economic parity.

- 566,000+ Coloradans are food insecure
- 147,120 of them are children
- 43% increase in demand for food assistance since the pandemic
